POLICE ALERT

November 10, 2011

At approximately 12:00 PM today the Johnston Police Department was called out to the 9100 block of NW 72nd Circle in the Northwood Estates development regarding an attempted forced entry burglary to a residence there. The victim contacted police after they returned home and found a subject trying to break into the victim's residence through a side garage door. The victim was not injured and the suspect was unsuccessful in gaining access into the residence but the victim's side garage door did suffer notable damage as a result of the force that the suspect used in an attempt to try and gain entry. The suspect fled the scene prior to the police department's arrival but the victim was able to provide a good description of the suspect and his vehicle.

The suspect was described as a white male believed to be approximately 18 years of age with a thin or "skinny" build and dark brown hair. The suspect fled the scene in what the victim described as a "newer" dark colored Chrysler 300 that was similar in appearance to the photo below.

The Johnston Police Department encourages residents to be diligent in ensuring their residences are secured at all times and to be alert for any suspicious persons or vehicles matching the descriptions provided. If you observe anyone unfamiliar in your neighborhood that matches this description, **DO NOT** take any action yourself but contact the Johnston Police Department at 278-2345.
