NEIGHBORHOOD REMINDERS:

The Ashton Pointe Association is trying to “go green” and reduce our paper usage. The association will be using the website (above) to inform members of needed information. Please check the site regularly for updates regarding the neighborhood, Board meetings and helpful links to other resources.

Home owners are **WELCOME** to attend the monthly Board meetings. They are currently held at 6:30pm on the 4th Thursday at the Simpson Barn.

Any exterior revisions to your property which would require a building permit need to have plans submitted to the Board of Directors for review and approval before the project can begin.

Daylight Savings on
March 14th is a great
time to change the
batteries in your
smoke detectors!

Time is approaching for the Johnston Residential
Tree Program and the Johnston Spring Clean-Up.

These events and other City news can be viewed
at www.cityofjohnston.com

Ashton Pointe is a wonderful, friendly
neighborhood to reside in.

Please help keep the area safe by watching
your surroundings.

Non-emergency concerns may be
reported to the Johnston Police
Department at 278-2345.
